

Washington State Planning Grant on Access to Health Insurance Overview of Strategy for Seeking Input and Feedback

- The grant seeks to be broadly inclusive, while maintaining a targeted low-key approach
- Research work/findings will be shared broadly for review and input from interested parties

Summary of approaches:

The grant project will seek broad input and feedback on grant products through:

1. Web-based alerts with periodic updates and notification of NEW items available for review and feedback
2. Large stakeholder meetings:
 - a. December 4, 2001 – Panel at the 2001 Washington Health Legislative Conference
 - b. Regional meetings for feedback on draft products of grant and identification of recommendations for policy consideration
3. Targeted technical assistance or directional input from:
 - a. Individuals with technical knowledge
 - b. Small groups with specialized knowledge or concerns
 - c. A Management Oversight Panel
 - d. The Governor's Sub-Cabinet on Health
